**JOURNAL ARTICLE DISCLAIMER**

The following list of articles is provided by the International Board of Heart Rhythm Examiners (IBHRE) as part of the IBHRE-C3 program. Each article is relevant to an IBHRE specialty topic, or domain, and serves as a basis for a C3 assessment. Some or all of the articles may be protected by copyright. When accessing an article, please refer to the publisher's copyright guidelines and policies.

Note that many of the open access, or free, articles published by professional associations or societies require an active membership to avoid cost. If you are a member of the organization and are unable to access an article, contact the professional organization directly for assistance.

Articles are accessible via links to publishers', organizations', or other third-party websites. Links to external websites are provided for the convenience of Users. IBHRE is not responsible for the availability or content of these external websites, nor does IBHRE warrant or guarantee products, services or information described or offered at these websites. It is the responsibility of the User to examine copyright and licensing restrictions at each website, and to secure all necessary permissions.

When accessing an article from a publisher's website, IBHRE recommends that Users download articles and reference the downloaded document when completing the assessment. Without a subscription, some websites may limit the number of articles that you can access per month. In such cases, downloading or viewing an article repeatedly may cause you to be blocked from accessing articles until the following month.
